

THE DAINTREE COAST MAP

THE DAINTREE FERRY IS WHERE YOUR ADVENTURE BEGINS!

DAINTREE RIVER TO CAPE TRIBULATION

The World Heritage listed Daintree National Park is the home of the Kuku Yalanji Aboriginal people, traditional custodians of this area and beyond. We acknowledge and pay our respects to the traditional owners and their elders past, present and emerging. We acknowledge the important role that Aboriginal and Torres Strait Islander people continue to play within the Douglas Shire community. The Douglas Shire has been an ECO Certified Destination (Ecotourism) since 2019. Renowned for its natural beauty and rich biodiversity, it is the only place in the world where two natural World Heritage-listed areas meet. The Great Barrier Reef and The Daintree National Park. Enjoy your visit to this unique destination and please remember **"Take nothing but pictures, leave nothing but footprints"**
